

# THE 2021 SECOND GLOBAL SUMMIT ON FOOD FORTIFICATION VIRTUAL SERIES #FUTUREFORTIFIED

The Nutrition for Growth Summit is a vital opportunity for the private sector to step up and demonstrate their commitment to improving global nutrition for all.

TOKYO  
**NUTRITION  
FOR GROWTH**  
SUMMIT 2021

Diet, Health, & Prosperity for All

# THE 2021 SECOND GLOBAL SUMMIT ON FOOD FORTIFICATION VIRTUAL SERIES #FUTUREFORTIFIED

Today, people are living longer than ever, and Japan is leading the world in an aging population. This has provided the Ajinomoto Group with a unique perspective on how to address the distinctive needs of this population.

# THE 2021 SECOND GLOBAL SUMMIT ON FOOD FORTIFICATION VIRTUAL SERIES #FUTUREFORTIFIED

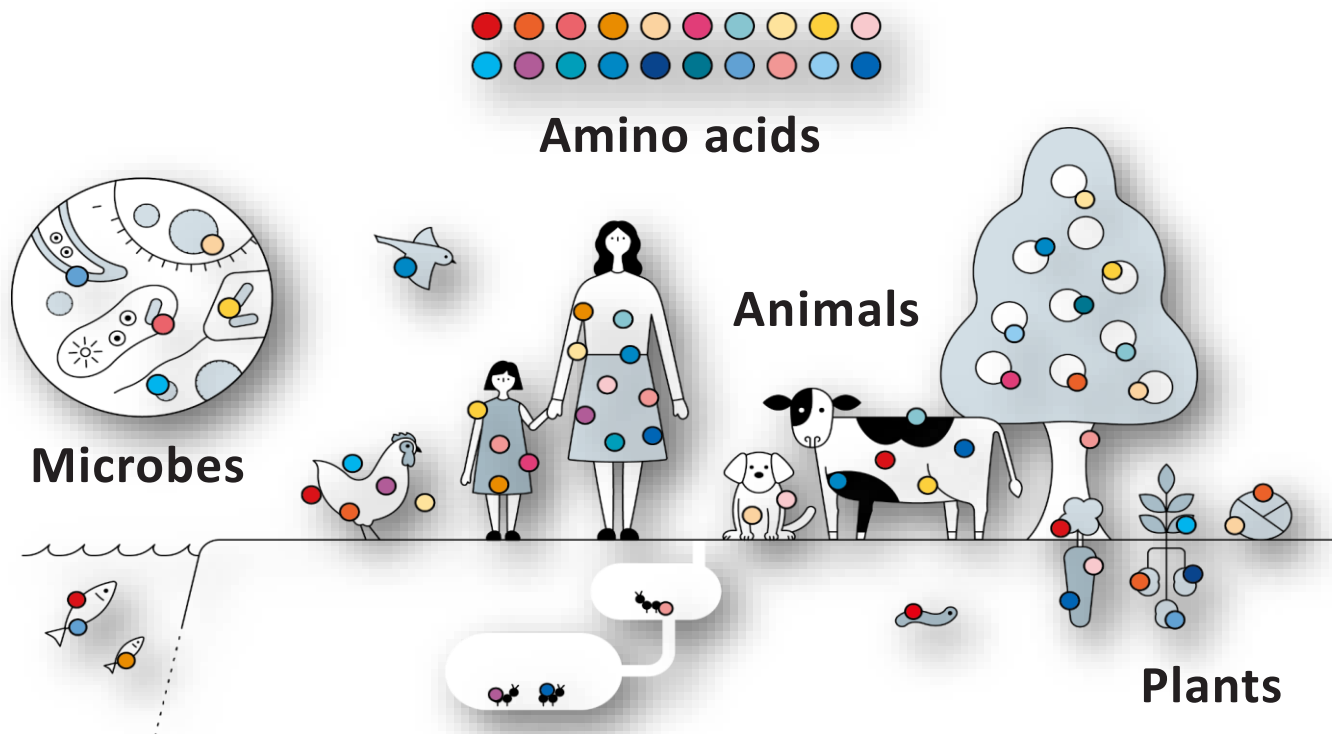

The private sector must play a key role in contributing to the betterment of global nutrition.

## #FUTUREFORTIFIED

We help people achieve healthier lifestyles by unlocking the power of amino acids.

**We're more impactful when we work with others.**

**Local Japanese Government, Retailers,  
Media & the Ajinomoto Group**

The Iwate Prefecture's salt intake went from highest in Japan to being ranked 20th out of 47.

**United Nations University & the Ajinomoto Group**

Lysine-fortified wheat has led to significant improvements in growth as well as stronger immunity among children in developing countries such as Asia, Africa and Latin America.
